

TAP INTO SOUTH AFRICA'S MASSIVE EMERGING MARKET

BECOME AN OBC CHICKEN FRANCHISEE

OBC Chicken is looking for franchisees to join their more than 50 stores country-wide to service the burgeoning emerging market.

OBC Chicken offer not only their famous chicken products but fresh meats and grocery products which are heavily supported by marketing and advertising campaigns. This has made OBC a respected and trusted brand in South Africa.

OBC also offer franchisor training and support, POS systems and IT support, central distribution for both perishable and non-perishable foods PLUS our franchisees get the benefit of central

bulk buying so that they compete on an equal footing with the national chains in their areas

If you are an entrepreneur with a nose for a profit opportunity and you would like to join this dynamic group or would like to convert your existing business, please contact Robbie on 011 314-700 who will explain the unique OBC support system for both small and large stores with store plans for most business environments ranging in price from under R1 million up to R4 million.
